UNIT LOG		1. Incident Name 2015 Regional Tropical Weather	2. Date Prepared 17 June 2015	3. Time Prepared 800
4. Unit Name/Designators Harris County A.R.E.S.		5. Unit Leader (Name and Position) Jeff Walter, KE5FGA, Emergency Coordinator		6. Operational Period Event Duration
7. Personnel Roster Assigned				
Name		ICS Position		Home Base
Kyle Douglas		Communications/Net Control		Transtar
Hal Merritt KD5HW		Communications/Net Control		Transtar
TJ Butler N5CFT		Communications/Net Control		Transtar
Mike Urich KA5CVH		Communications/Net Control		Transtar
Sharon Heivilin KC8EO		Communications/Net Control		Transtar
Gary Greer N5EXP		Communications/Net Control		Northwest Harris County
Ben Gillis K5TBN		Transtar Liaison		Spring Branch
Alan Isaachsen KB2WF		Transtar Equipment/trainer		Transtar
8. Activity Log				
Time	Major Events			
19:15	Opened Net Control from Transtar as N5TRS, assumed from KA5CVH			
20:00	Broadcast operational update; no changes			
21:00	Broadcast operational update; System now "Tropical Storm Bill". Update to follow by 02:15Z			
	From National Hurricane Center			
21:15	Updated; Tropical Storm Warning issued for Texas coast			
22:00	Broadcast operational update; text from NHC Tropical Storm Warning provided			
23:00	Broadcast operational update; no change from 22:00			
23:10	Provided Tropical Storm Warning update from NWS Houston/Galveston			
00:00 6/16/15	Broadcast operational update; no change.			
01:00	Broadcast 01:00 update; new information from National Hurricane Center			
02:00	Broadcast operational update. No change.			
03:00	Broadcast operational update. No change.			
04:00	Broadcast 04:00 update from National Hurricane Center.			
04:10	Met KD5HW at west entrance, escorted to Communication Room.			
05:00	Relieved by H. Merritt and T. J. Butler			
1700	Relieved by M Urich and S Heivilin			
2145	End operations at TranStar communications room			
700 06/17/15	Begin remote operations from Northwest Houston by G Greer
