

South East Harris County Amateur Radio Emergency Service (ARES) Net Preamble

- QST,QST, QST, This is (your call sign), control station for this weeks S.E. Harris County Amateur Radio Emergency Service net.
- This net meets every Tuesday evening at 8:00 PM local time, and may be held on various repeaters or simplex frequencies around the S.E. Harris county area.
- This is a directed net. All comments, queries, and traffic are to be directed to this station unless otherwise advised.
- All licensed amateur radio operators are welcome to check into this net, join ARES and participate in any ARES activities.
- The purpose of this net is to provide practice & training, as well as to promote quality communication skills should they be needed due to any natural or man made disaster.
- When checking in, please speak slowly, give your call sign phonetically, name, location, and state whether you have or do not have any traffic for the net. Stations having traffic will be called upon later in the net to present their traffic.
- Before I get started with check in's, Is there any emergency or priority traffic, call now....(listen for about 15 seconds)

Having heard none:

- Will the station who has tonight's training identify by call sign at this time. (acknowledge that station)

I will now take check in's for stations who's call signs begin with the letter:

“ A “ alpha (list)

(read back the call signs that checked in before preceding to the next letter)

“ K “ kilo (list)

“ N “ November (list)

“ W “ whiskey (list)

(after all check in's - go back for traffic)

(training will go here - turn it over to station who has tonight's training)

- Are there any late check-ins, further comment or traffic before I close the net, call now. (listen for about 15 seconds)

Having heard none:

- I want to thank all stations who participated in tonight's net, and thank the Trustees of the W5RRR for the use of their repeater. This net will meet again next Tuesday night at 8:00 PM local time on this same frequency. I now close the S.E. Harris county ARES net at _____ local time. This is (_your call sign_) out.
